

Referral Benefit Coupon

Dear _____

(please write the name of your friend here)

I've just bought a Whirlpool appliance, and thought I'd recommend your name for a Referral Benefit. When you buy any of the Whirlpool products listed below, you'll be entitled to a **Free Gift** worth Rs 712.

And the fun doesn't stop there! Whirlpool has just launched the Whirlpool MagiClub for women. As members, women get a chance to live their dreams. They

- Enjoy never-before service privileges
- Buy and earn 'wishes' (points), for buying Whirlpool products and accessories, and for referring Whirlpool products to friends (just like I'll earn when you buy, using this Coupon). These can be redeemed for organic cosmetics, designer-wear, gym membership and treatments at wellness clinics
- Celebrate womanhood by
 - Accessing a panel of experts on matters relating to beauty, fashion, health, fitness and well-being
 - Getting deals on Ladies Night Outs and self-improvement classes
 - Attending Club gatherings and shows or simply spoiling themselves at exotic spas

Just ask the authorised dealer for more details about the MagiClub when you use this Referral Benefit Coupon. And yes, someone from Whirlpool might also call you up to follow-up on this.

Best wishes from
